VIRTUAL
**summer
scamper**

Benefiting
**Lucile Packard
Children's Hospital
Stanford**

Hi [name]!

This June, I'm participating in [Virtual Summer Scamper benefiting Lucile Packard Children's Hospital Stanford!](#) Scamper is a 5k/10k race, but this year it's going Virtual, and I'll be Scamper-ing from home to raise important funds for the patients, families, and care team members at Packard Children's.

Scamper isn't just a fun race—it's the hospital's biggest community fundraiser of the year. Now more than ever, they need our support. Childhood diseases don't take a break, and neither can we.

Will you join me by donating \$10 to my Scamper fundraising page today? Every dollar supports care, comfort, and cures [or replace with FUND] for patients at Packard Children's. [LINK TO YOUR PAGE](#)

My goal is to raise [\$ amount] by Race Day on Wednesday, June 30. As an extra- special "thank you," if I meet my goal I will [email you a video, send you a Scamper sticker, dress-up like a banana, giveaway a cool prize to one of my donors, get creative here!]

Thank you so much for your love and support. **Donate today** and I'll give you a big hug the next time I see you!

With gratitude,

[NAME]

P.S. You can also [register to Scamper with me!](#) It's free to register, and when you raise \$45 or more toward your fundraising goal, you'll receive your #ScamperInPlace Swag Bag complete with a commemorative finisher's medal and race shirt. Plus, you'll get all the warm, fuzzy feelings of knowing you're supporting kids who need you.
