

#ScamperInPlace Your Way

Summer Scamper is virtual, meaning you can show your Scamper pride in more ways than one. Check out our ideas below about how you can make Virtual Scamper extra-special! Be sure to share your photos of how you #ScamperInPlace on social media.

Host a virtual celebration

Download our Zoom backgrounds on [SummerScamper.org/Tips](https://www.summerscamper.org/tips) and virtually meet with friends and family to share #WhyWeScamper.

Play Scamper Bingo

Download your Scamper bingo board on [SummerScamper.org/Tips](https://www.summerscamper.org/tips) and see how many squares you can check off in a day.

Do your favorite hobby

Virtually Scamper-ing doesn't just have to be running or walking a 5k or 10k. From biking, to cooking, to knitting, Scamper however you'd like!

Decorate your space

Break out the pens, paper, and sidewalk chalk and create your own start/finish line. Blow up colorful balloons to make it festive!

Wear your Scamper gear

Get decked out with your Scamper shirt and medal, or if you are a returning Scamper-er wear your shirt from your favorite past Scamper.

Tune in on June 30

At 6 p.m. on Wednesday, June 30, tune in to [SummerScamper.org](https://www.summerscamper.org) for an evening of inspiration, fun, and special prizes!
